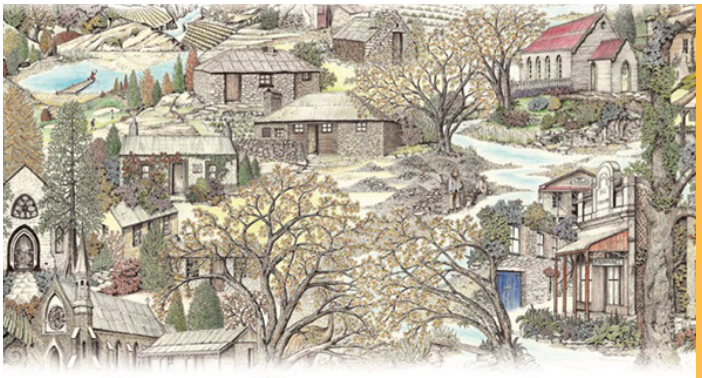
LAKES DISTRICT MUSEUM

HANDS ON HISTORY EDUCATION PROGRAMME

ART WORKSHOPS



This summer our museum educators will be holding art workshops for kids, alongside our artists in residence - Luigi and Kate Agnelli from Arezzo, Italy.

Each day will be inspired by one of their amazing drawings that are currently on display in our gallery.

If you have young ones that are interested in art, are creative souls that have a thirst for imagining and designing then these are the workshops for them!

Different workshops are available for different interests and age groups from Years 1 - 13

Spaces are limited to 12 per session.

Bookings are essential and payment in advance is required.

Bookings open on Monday 17th December 2018

Check out the timetable....

LAKES DISTRICT MUSEUM
