The Lakes District Museum is turning 70!

Help us to celebrate by entering our colouring competition. Use our template to design the museum however you want, just like real life, or jazz it up for it's birthday party!

Entries will be displayed in the museum and considered by a local and impartial judge for prizes.

Children entering must be aged 4-9 inclusive for the lower age bracket, or aged 10-16 for the higher age bracket, on October 10th 2018.

Entries must have been brought into the museum by October 10th and winners will be announced shortly afterwards, directly and on the museum Facebook page.
